Sub: Request letter for Police Verification of new admissions

This is to bring in your kind notice that, GMR Varalakshmi Foundation is the Corporate Social Responsibility arm of GMR Group and is operating with the vision to make sustainable impact on the human development of underserved communities.

To support skill and employability of the youth GMRVF has established Centre for Empowerment and Livelihoods (CEL)-Delhi, which provides skill training to youths from marginalized sections of the society. All courses are short term and designed while keeping in mind the needs of entry level job requirements of the market. Apart from skill training, considerable emphasis is also given on digital skills and work readiness

As the Institute provide residential training to students from across the country and link them with various companies for prospective employment. to ascertain aspects of their character is of great importance for us. We solicit your support in having their police record checked as it will assist us in their job placements.

Warm Regards,

Centre Head
